* Institution began offering 4-year degrees fall 2000 and in 2006-07 is included in regional tier. N/A: data not available.

NOTE: The tier graduation rates are calculated by dividing the total number of graduates by the total number of fall first-time, full-time degree-seeking students at all of the institutions in the tier.

NOTE FOR PAUL SHIN- These rates include all students, both students who were concurrent students and students who were not.
