

### Healthy Oklahomans

- Ensure prompt, consistent, and equitable access to Medicaid for all Oklahomans who qualify

### Safe Communities

- Fund criminal courts and court services through appropriated revenue so that Oklahoma's courts are not reliant on fines and fees from low-income families
- Construct a supervision and reentry system that allows Oklahomans who are justice involved to build better futures
- Reduce collateral consequences of incarceration through increased access to job training, education, and automatic expungement

### Thriving Families

- Expand refundable tax credits to empower low-income families to better support themselves and their communities
- Ensure adequate and stable revenue for Oklahoma's social insurance programs
- Strengthen Oklahoma's democracy through a transparent and equitable state budgeting process
